Help keep our children safe at MACC by following these ROAD SAFETY RULES

Strictly no speeding.

Stick to the 40km/h speed limit in a school zone as children are about and can be unpredictable.

Always park and turn legally around schools and avoid dangerous manoeuvres like U-turns and three-point turns.

Before moving a vehicle, check that no child is behind or in front of the vehicle. Don't rely only on car cameras and sensors. Always do a visual check around the vehicle.

Always give way to pedestrians, especially when entering and leaving driveways.

Until your child is at least eight years old, hold their hand:
- on the footpath
- in the car park
- when crossing the road.
