At MACC we have clear communication pathways so students, parents and families are always kept up to date with what's happening in the MACC community. From our priority platforms to educational learning tools – here's the summary of how to stay connected.

### 1. Priority Platforms

- **App**
  - The MACC APP is the hub for all key communications at MACC. Enabling seamless communication from reading news updates to signing permission notes, paying for excursions, making appointments, calendar updates, and uniform shop purchases, the MACC App is our priority platform.

- **Email, Telephone & SMS**
  - To enable MACC to provide child specific updates and information, emails, phone and SMS are used to get in touch quickly and easily.

### 2. College Life

- **Social Media**
  - Facebook and Instagram are the main social media platforms that MACC use to provide snapshots and regular updates on the day to day life of MACC.

- **MACC Chat**
  - MACC Chat is available through the MACC APP and is the regular newsletter with stories and updates of College life.

### 3. Learning Tools

- **Mathletics**
  - Mathletics is an online learning tool used to effectively teach K - 6 students mathematics.

- **Fresh Grade**
  - A dynamic learning platform that allows you to login and see your Primary age child’s progress in real time.

- **Kinderloop**
  - Kinderloop is used in MACC Prep as a personalised communication tool to help you keep track of your child’s development.

- **Edmodo**
  - Edmodo is an education network that helps connect learners with the people and resources needed to reach their full potential.

- **Hot Maths**
  - HOTmaths is the most comprehensive maths learning system for Australia and New Zealand used by Years 7 - 12.

- **My eDiary**
  - My eDiary combines communication, homework and time management for teachers, students and parents.

### 4. Class Blogs

- **Class Blogs**
  - Some MACC teachers provide additional updates about classroom activities on dedicated class blogs.
