Introducing Parent Liaisons

Thurs 15th Sept | 8:45am to 9:45am OR 7:00pm to 8:00pm

We are excited to announce Mount Annan Christian College’s first Parent Liaison Initiative.

To further build on the strengths of our parent community, MACC is commencing a new initiative to enhance opportunities for participation in the day to day operation of the College. Our aim is to foster further collaboration and consultation amongst parents, staff and students. This innovative approach will involve creating a new team of Parent Liaisons.

We are holding two Information Sessions to explain the following:
• What is involved in being a Parent Liaison
• How Parent Liaison structures work
• Benefits of a Parent Liaison
• Selection Criteria

Please RSVP by Thursday 8th September
