Staff belong to churches with a range of Christian denominations and we provide opportunities when hiring staff to work in a Christian environment, whilst showcasing their talents and professional excellence, and attesting to our ethos and Statement of Christian faith.

Our Students
It has been noted that our students are respectful, enthusiastic and well-mannered young people with a love for learning. Our catchment is large with many students travelling on our College bus to the campus each day.

We offer sporting and academic scholarships with our students excelling in areas of academia, sport, creative and musical arts, agriculture, citizenship, and innovation within STEM_Education subjects (Science, Technology, Engineering, Mathematics).

Many students have grown up at MACC having started in Prep, moving right through to Year 12. MACC enrols families – not just students, so parents, grandparents, relatives and friends are also invested in the education of our students.
Our Families
MACC is well known for the provision of a nurturing environment and parents make their enrolment choices with that key factor in mind. Our Prep program offers families options for assistance with and before Kindergarten enrolment, whilst our Year 11 and 12 programs provide a variety of opportunities for learning inclusive of external providers such as VET and TVET.

The College operates a Before and After School Care program to help families meet their work and life commitments. The staff in these programs partner with families to ensure children have the very best of care.

Opportunities for families to be collaborative and involved in many facets of school life assist the lifelong learning principles.

Facilities
MACC is set on 37 acres in one of Sydney’s fastest growing regions and is situated opposite the beautiful Mount Annan Botanical Garden estate. The College and C3 Mount Annan Church together share the property.
