TAS : Job Description and Key priorities

• Keeping students motivated, focused and accountable
• Ensure a cohesive learning environment
• An excellent classroom teacher with a deep and broad knowledge of current issues and best practice in education.
• Demonstrated capacity to work harmoniously with teams, whether in supervisory, collegial or advisory contexts.
• Demonstrated capacity to communicate clearly with students, colleagues and the wider community regarding educational issues.
• Demonstrated capacity for educational leadership with a focus on teaching and learning.
• Strong interest in the educational application of new technologies.
• Able to cultivate and shape a culture of critical reflection upon practice amongst both staff and students.
• Ability to lead colleagues in differentiation of curriculum for student needs, including the encouragement of independent, critical and creative thinking for all students.

Experienced educators with exceptional personal and professional qualities to teach Stage 4 to 6 TAS, including the ability to teach the HSC Design & Technology and/or ITM course, are invited to apply. More specifically, it will be an advantage if the successful candidate has experience to take part in the further development of the College’s highly reputable STEM_ed program.
