VISION STATEMENT

“TO PROVIDE A CHRIST-CENTRED LEARNING ENVIRONMENT THAT EMPOWERS EACH INDIVIDUAL TO ENJOY A LIFE OF PURPOSE”

2017 SECONDARY STUDENT EQUIPMENT LIST

We are pleased to offer the convenience of Mount Annan Christian College Equipment Ordering Service through Office Products Depot Macarthur. Visit www.myschoolstore.com.au/macc to place an online stationery order.

General

All students in Years 7-12 will require the following basic equipment items and are expected to have them available for every learning session:

- 2 x Blue/Black pens
- 2 x Red pens
- 2 x Highlighters
- Correctional tape
- Bible (NIV if possible)
- Homework diary

- 2 x HB lead pencils
- Coloured pencils
- Sharpener
- Eraser
- Required in Homeroom and Christian Discovery.
- A Mount Annan Christian College diary will be supplied to students in Year 7 - 10. They are not to be decorated. Damaged or lost diaries will be replaced at the student’s expense. Year 11 and 12 students will have access to an eDiary.

Lined exercise books

Each book must be clearly labeled with the students name and class and must be covered (preferably contacted to enhance durability) and in a manner consistent with the Christian ethos of our College.

Banned items

Some items are banned for reasons of safety, care of College resources and the need to maintain optimum learning and communication.

- Steel rulers or wood rulers with a steel edge
- Liquid Paper
- Permanent / spirit based Textas and markers
- Any type of aerosol can, including spray deodorants

Medications

These must be left at Administration with a parental authorisation to administer medication note. Medication will be dispensed to students as required.

Devices and Mobile phones

Devices and mobile phones are permitted and are to be used in line with the College BYOD and Mobile Phone Acceptable Use Policies – available at Administration.
BRING-YOUR-OWN-DEVICE (BYOD) IN MOUNT ANNAN CHRISTIAN COLLEGE

ACCEPTABLE USE POLICY

Preamble

At Mount Annan Christian College, we recognise that the use of technology in our society has grown tremendously and for most young people it is a vital connection to the world around them. Personal devices can enhance and enrich learning opportunities both at home and at school. While we believe there is no substitute for sound teaching and learning practices, we also recognise the potential value of technology in shaping our students’ educational experiences and the new avenues it can offer for learning.

1. Purpose

1.1 As we prepare students for life in the 21st century we must equip them with the skills to utilise technology responsibly and empower them for lifelong learning. To do this effectively, we are introducing a ‘Bring Your Own Device’ (BYOD) policy for students in Years 7 to 12.

This policy is about more than just enabling students to have a device and connection to the College wireless network. We believe that placing the technology of choice into the hands of our students

- provides opportunity for individualised learning,
- increases independence, creativity, innovation and
- promotes self-initiated learning within and beyond the classroom.

1.2 This policy allows students to use the device with which they are most comfortable and with which learning will be most effective. Recognising the importance of choice, we are not recommending specific brands and models of devices. Instead, we are specifying the minimum requirements to which each device should conform.

1.3 Students, their parents or guardians must read, understand and sign the BYOD Acceptable Use Policy before students are given permission to connect to the College wireless network.

1.4 The BYOD Acceptable Use Policy also applies to students during school excursions, camps and extra-curricular activities or the like.

For full Policy, see Administration
In the first instance, the College minimum requirements to which each device should conform include:
